What can we manufacture?

We offer a vast range of small part products in mill finish and polyester powder coated, including:

- Wheel Arch Doors
- 5 Bar Tread Plate
- Racking Brackets
- Fridge Doors / Locker Doors
- Fridge Aperture Cappings
- Wheel Pan
- Floor Tread Wear Strips
- Mounting Brackets / Hinge Brackets
- Locker Linings
- Evaporator Guides
- Nearside / Offside Skirt Panels
- Grill Pans

What if I need expert fabrication services?

Our precision metal fabrication services benefit from continual investment and the latest production equipment. We have a suite of press brakes, along with specialist machinery for punching,

drilling, sawing, bending and bonding, allowing us to offer a fully bespoke service. Our production facility also uses advanced MIG/TIG welding facilities that are operated by time served staff with unbeatable experience.

Need a quick turnaround?

By manufacturing all of our parts on-site at our Hull-based headquarters, we offer quick and efficient turnaround times. Eltherington has a reputation for excellent customer service and we remain one of the few companies to operate a dedicated transport fleet across the whole of the UK, enabling us to provide a comprehensive delivery service.
